Letters to inform you further and request your consent will be given out at the appropriate time.

Hopefully we will have good news about school trips this year after the impact of Coronavirus. We will let you know as soon as we organise any trips.

Food Tasting

On occasions we may make or taste a variety of different foods linked to learning.

We will send letters home before completing these activities to request your consent and check for allergies and dislikes.

It is important to fully complete the forms we have sent out and inform us if your child's circumstances change at any point during the year.
